TENANT(S)

Rate each item **G** (Good), **F** (Fair), or **P** (Poor), and note any existing damage, wear, or defects. Anything not noted is presumed to be in good condition at move-in. Use this same form at move-out and compare the two. **Normal wear and tear** (minor scuffs, light carpet wear, faded paint) is expected and not chargeable; only damage beyond normal wear and tear from misuse, neglect, or accident may be deducted from the deposit under North Carolina law. Take dated photos at move-in and move-out to accompany this report.
