Rate each item Good (G) / Fair (F) / Poor (P) at move-in, and again at move-out for direct comparison. Describe any existing damage, wear, or defects in Notes. Anything not noted at move-in is presumed to be in good condition. Both parties initial each page.

Normal wear and tear vs. tenant damage: Under North Carolina law, the security deposit may only be charged for damage beyond normal wear and tear. Normal wear is the expected, gradual deterioration from ordinary use (e.g., minor scuffs, light carpet wear, faded paint). Tenant damage is harm from negligence, misuse, or accident (e.g., holes in walls, stains, broken fixtures, pet damage). Only the latter is deductible.
