

WELCOME HOME

5716 Bashford Crest Ln, Raleigh, NC 27606

We're so glad you're here.

This house has been ours for a good while, and it holds a lot of good memories. We hope it becomes a place of rest and good memories for you too. Moving is a lot, so we've tried to make settling in as easy as we can — everything you need is gathered in one place (more on that below).

If something isn't working, or anything ever breaks or feels off, please reach out. We'd genuinely rather hear from you than have you wonder. We want this to be a home where you feel cared for.

We believe a home is a gift, and we're grateful to share this one with you. You're always welcome to join us at **Antioch Church** on a Sunday if you're looking for community — no pressure at all, just an open door.

Settle in, make it yours, and don't be a stranger.

— Jason & Abby

Your Home Base — the Bashford App

We built a simple app that keeps everything about the house in one place: how to pay rent, how to set up utilities, trash days, a house manual, our favorite local spots, and any announcements from us. It's the fastest way to find what you need.

How to log in: Visit **bashford-property.vercel.app** on your phone or computer and sign in with:

Username	bashfordcrest
Password	2026

Tip: add it to your phone's home screen so it feels like a regular app.

Getting Settled

- **Rent.** \$1,970/month (rent plus internet), due on the 1st, paid via Zelle. Details and the payment link are in the app.
- **Utilities.** Please set up electricity (Duke Energy), gas (Enbridge), and water/trash (City of Raleigh) in your name before move-in. The app has a step-by-step guide with phone numbers. Internet is already provided.
- **Maintenance.** Something not working? Report it through the app, or just reach out to us directly. For anything urgent (water leak, no heat, gas smell), use the Emergency info in the app or call us right away.
- **Renter's insurance.** Please have a renter's insurance policy in place before move-in, as noted in your lease — it protects your belongings, which our policy doesn't cover.

A Few House Rules

These are also in your lease — here's the short, friendly version of the things that matter most:

- **No smoking indoors.** Smoking of any kind is not permitted inside the house. Outside and away from the home is fine.
- **Pets.** Please keep to the pet terms in your lease. If anything changes, just talk to us first.
- **Quiet & neighbors.** This is a friendly neighborhood — please be considerate with noise, especially in the evenings, and be a good neighbor.
- **Trash & recycling.** Collection is Thursday (recycling every other week). Carts go to the curb the night before and come back in promptly after. Use only the City-issued carts.
- **Parking.** Please park in the driveway and be mindful of leaving the street and neighbors' spaces clear.

Anytime You Need Us
